Re: Application of Harbor Island Utilities, Inc. for Approval of a New Schedule of Rates and Charges for Water and Sewer Service on Harbor Island, Beaufort County
Docket No. 2016-29-W/S

Ms. Boyd,

Please allow this correspondence to serve as notification that Fripp Island Public Service District does not oppose the clarification of the sewer service area of Harbor Island Utilities in the above-referenced docket. Fripp Island Public Service District currently possesses the right to provide water service to businesses and residences located on Harbor Island along Highway 21, the area of concern. As Harbor Island Utilities would provide only sewer service, and not water service, to the area of concern, there would be no conflict with the service area of Fripp Island Public Service District as to sewer service. As such, Fripp Island Public Service District does not oppose the sewer service area clarification.

Thank you for your consideration.

Sincerely,

FRIPP ISLAND PUBLIC SERVICE DISTRICT

Angel L. Hughes
